Extended Care Program - Grades K-8

Extended Care is for the convenience of families who are currently attending the school and do not wish to have their children home alone. St. Catherine of Siena School has employed personnel to supervise the children and provide for them a safe, nurturing environment, and light snack after school. The supervisors are not teachers and are not required to help the students with homework. Instead, students should remain in their homeroom class to receive homework help from the teacher until 3:30 PM, and then go to Extended Care after this time.

Extended Care Hours: 7-7:45 AM and 3:15-5 PM, Minimum Days 12:15-5 PM

Fee: \$8.00 per hour or \$375 per month, per child, due the 10th of each month, \$35.00/\$50.00 late fee assessed on the 11th of each month; a \$1.00 late fee will be charged for each student every minute after program hours. This also includes late pick-ups from Retreats, school events, (academic or sport), and field trips.
